Attachments: WIN RFP for Transition to Employment for Adult Offenders at Risk of Reoffending.docx

All – I've attached an updated 'draft' RFP, which of course is not really in RFP form but is the foundational doc which Kevin and team can then convert to official RFP language. It still needs review and finalization on a number of points which we can address at our next committee meeting on April 3.

Kevin – would it be possible to have your folks to go ahead and take a first stab at putting it into RFP format for us to review on April 3? That way we can begin to figure out what else we need to address for RFP purposes and to meet our stated goal of getting the RFP issued in April.
